# Let's TLK Configuration

Seamlessly deploy devices from your phone

Cut the cords and set up batches of TLK 25 devices* in minutes with the TLK Configuration app. A user-friendly mobile app for setting up and managing one or many devices, the TLK Configuration app is an accessible, efficient platform for TLK 25 devices. Save time and effort in setting up TLK 25 devices, so you can unbox and go.

Simply download the app from the Google Play or App Store and follow the guided setup process to create talk groups, add users, link devices and deploy devices — all from your smartphone.

TLK Configuration App
by Motorola Solutions

*Supports configuration of TLK 25 only, set up SafeGuard features on the WAVE PTX Portal.
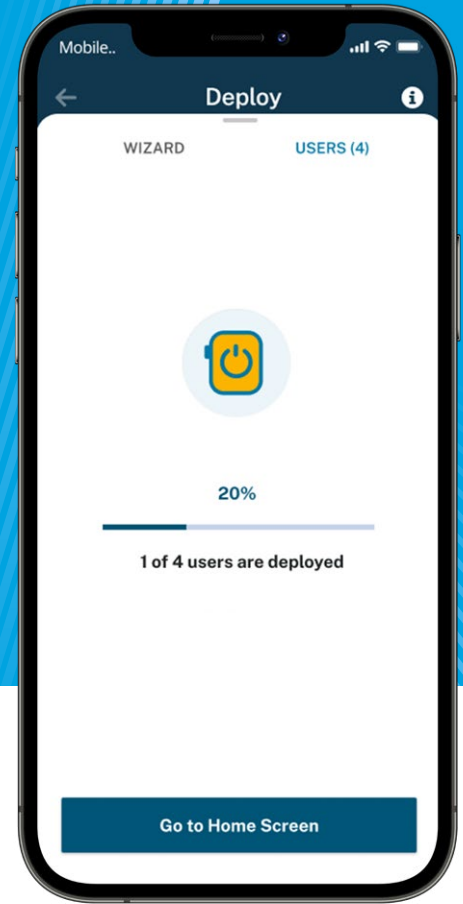

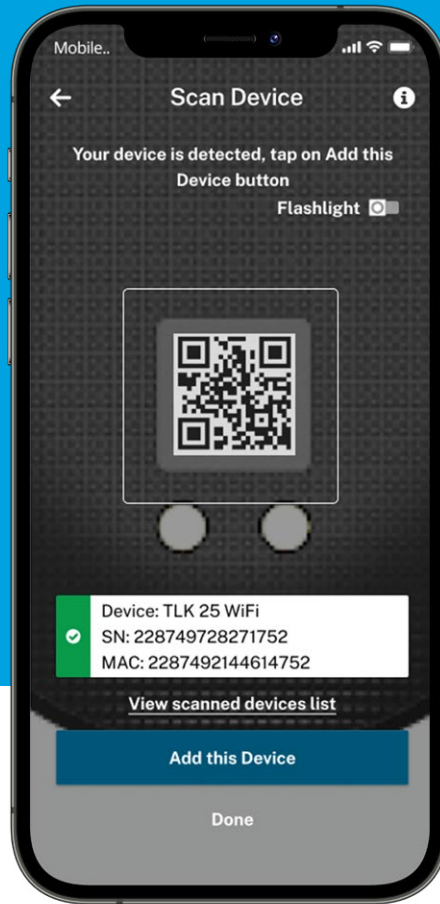

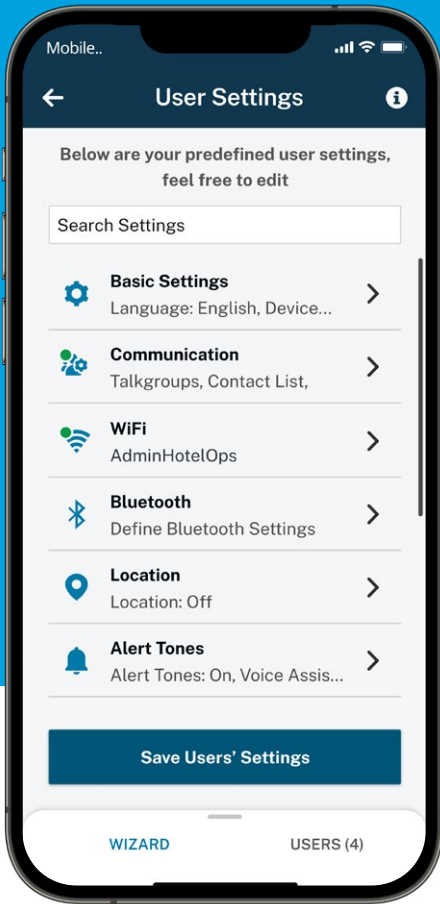

MOTOROLA SOLUTIONS

Key features

- Compatible with iOS and Android devices

- Step-by-step setup walkthrough

- Link devices with simple QR code scan

- Bulk add users and devices

- Device and user management by customers

- Modify talkgroups and settings on the fly

Guided, intuitive and user-friendly

A tool to aid beginners and expedite configuration for experienced users, the TLK Configuration app offers simplified guidance. Its readily available help (i) function provide users with extra instructions, tips and definitions.

Start your journey to high-quality, reliable communications by planning your talkgroups and adding users.

Essential configuration

- Wi-Fi preferences
- Bluetooth devices
- Contact list
- Talkgroup roles
- Channel positions
- Audio settings
- Scan priority
- Time zone
- Do not disturb
- Voice assistant controls
- Alert tones

Scanning functionality

TLK 25's dynamic QR codes are embedded with key registration information. Streamline the tedious task of repeatedly inputting device information with QR code scanning and batch setup capabilities.

Streamlined settings

Activate and deploy configured settings to the cloud on the TLK Configuration app — all from one place. Take your TLK 25 from setup to deployment without requiring support or even opening your computer.

Manage more

Continuously take advantage of the ease of the TLK Configuration app. After deployment, you can still seamlessly adjust settings or edit users, talkgroups and devices from your smartphone.

Remove the barriers and effort behind device management and start enabling seamless ownership with the TLK Configuration app.
